Vision

In 2007, God gave the vision of our “community working together” to solve many important issues we are all facing together. Over the years and through hard work, **Community Combined Ministries (CCM)**, a 501(c)3 non-profit organization, was formed with a primary focus to serve our area schools with meals for children, who would otherwise go without, on weekends, during breaks and throughout the summer.

CCM serves over 900 children / 32 schools in Berkeley and Jefferson Counties, West Virginia through our special ministry, **Kidz Power Pacs (KPP)**. KPP volunteers gather once a month to pack Kidz Power Pacs on a Friday night and Saturday morning (see packing schedule). This gives everyone in our community a chance to serve together to help others.

As numbers continue to increase, new sponsors are always needed. Churches, businesses and individuals can help by sponsoring a child for as little as \$20/mo, collecting easy-open child-friendly foods, hosting a fundraiser and more.

We are also blessed to be able to provide a “discount food ministry” that specializes in variety of meal packages. This program is open to everyone in the community and there are no income restrictions. Once the order is placed through CCM, customers pick up their order at our distribution site once a month. *For example: A family box could cost as little as \$36 with this food program vs. paying approximately \$65 at a local grocery store.* We hope be be accepting EBT by the beginning of the year if not sooner. **To view a full menu and order online visit CCM @ www.communitycombined.org or contact CCM directly by phone or email.**

CCM hosts community events throughout the year, collects school supplies and hygiene items and more. Volunteer opportunities available and donations warmly accepted.

CCM strictly buys in bulk and does not deplete any food bank sources. We operate with the help of sponsorship programs, food drives and grants.

How You Can Help!

1. Sponsor a school or a select number of children for an entire year.
2. Sponsor a single child for as little as \$20/mo.
3. Donate any amount. We will combine with other donations to sponsor a child.
4. Help on packing day or with prep/set up on Friday prior to packing.
5. Help deliver on Thursdays to area schools.
6. Help spread the word about this special ministry by introducing KPP to your friends, family, church, business, social groups or organizations.
7. Provide “Praise & Worship” music during packing.
